**J**anak Healthcare is committed to providing meaningful innovations that improve the quality of care, enhance patients' lives and enable the delivery of better outcomes at low cost. The company operates in four main business areas: Diagnostic Imaging Systems; Patient Care and Clinical Informatics; Customer Services and Home Healthcare. Janak Healthcare Pvt. Ltd is an ISO 9001 : 2008; ISO 14001 : 2004, and ISO 13485 : 2003 and OHSAS 18001-2007 certified company. Janak is a recognised player in the healthcare segment in India and pioneers in

delivering quality healthcare solutions by adopting ethical business practices. It is a fully owned subsidiary of Midmark Corporation, USA.

Janak Healthcare's focus is to deliver value throughout the continuum of care: from disease prevention to screening and diagnosis to its treatment, monitoring to health management. It is dedicated to making an impact wherever care happens, within the hospital - critical care, emergency care and surgery - and, at home.

Janak Healthcare's clinical excellence and continuous innovation focussed

around the patient experience can fundamentally change healthcare as we know it. Their competitive advantage lies in clinical perspective, the broad clinical subject-matter expertise within the company, as well as their customer relationship orientation. Their ability to delight customers by innovating and expanding the portfolio of patient care equipment and clinical solution services has ensured that Janak maintains its lead. They have supplied patient care equipment to most of the leading hospitals in India and abroad and have received various recognitions for quality and service. ■
